

Next week we are having our first; **Empowering Young People Together Conference!** The conference will hear from a range of guest speakers including; Kooth—Oliva Firth, Pol-Ed West Yorkshire Police, BMDC Safety of Women and Girls Lead—Assia Hussain and the RSE team themselves. We are so excited about the learning and sharing of best practice, and know it will become an annual event for years to come.

Attendance!

It is so important that we keep a focus on attendance...whether at JAMES, or college, or school! We are now in the lead up to exams and every day is critical for your progression and achievement. JAMES are scheduling our IMI exams soon... **so please make sure you are attending EVERY day; it does make a difference!**
